**AN ORDINANCE OF THE BOROUGH OF POINT PLEASANT
BOROUGH, COUNTY OF OCEAN, STATE OF NEW JERSEY,
AMENDING AND SUPPLEMENTING CHAPTER IV OF THE
BOROUGH CODE ENTITLED "GENERAL LICENSING"**

BE IT ORDAINED, by the Borough Council of the Borough of Point Pleasant Borough, County of Ocean, and State of New Jersey, that Chapter IV of the Borough Code entitled "General Licensing" is hereby amended and supplemented to include new Section 4-8 entitled "Licensing of Secondhand Dealers", as follows:

SECTION 1: New Section 4-8 of the Borough Code entitled "Licensing of Secondhand Dealers" shall provide as follows:

4-8.1. Definitions

- A. Except as provided in Subsection B hereof, a secondhand dealer shall be defined as any person who, either wholly or in part, engages in or operates the trade or business of buying and/or selling used goods such as antiques, precious stones, gold, silver, platinum or other precious metals, jewelry, coins, any tools, television sets, radios, record or stereo sets, electronic devices, musical instruments, sporting goods, automotive equipment, collectibles, game cartridges, DVDs, CDs and other electronically recorded material, firearms, cameras and camera equipment, video equipment and bric-a-brac.
- B. The business of secondhand dealer shall not be deemed to include:
- (1) Judicial sales or sales by executors or administrators.
 - (2) Occasional or auction sales of household goods sold from private homes.
 - (3) Auctions of real estate.
 - (4) The occasional sale, purchase or exchange of coins, cards or stamps by a person at his permanent residence or in any municipally owned building who is engaged in the hobby of collecting coins, cards or stamps and who does not solicit the sale, purchase or exchange of such coins, cards or stamps to or from the general public by billboard, sign, handbill, newspaper, magazine, radio, television or other form of printed or electronic advertising.

4-8.2. License required; advertising

No individual person, partnership or corporation shall engage in business as a secondhand dealer without first obtaining a license from the Borough Clerk. Advertising in any print or electronic media or by sign that any of those articles or goods referred to in Subsection A of the definition of "secondhand dealer" in § 4-8.1 herein are being bought in any location within the Borough of Point Pleasant shall constitute engaging in business as a secondhand dealer for purposes of this chapter. No person shall place or cause to be placed any advertisement for

purchase of such articles or goods without stating in said advertising the license number issued to the individual or entity by the Borough of Point Pleasant. In any print advertisement, the license number shall appear in type no smaller than eight-point in the lower right-hand corner of the advertisement. In any advertisement in the electronic media, the license number shall be visually or audibly stated. Failure to state or indicate the license number shall be a violation of this chapter and shall be subject to the penalties set forth in § 4-8.9 of this chapter.

4-8.3. Application process; approval or denial; appeal; revocation of license.

- A. Upon receipt of an application completed pursuant to this chapter, the Clerk shall refer such application to the Chief of Police, who shall make an investigation of the prospective licensee pursuant to this chapter for the purpose of determining the suitability of the applicant for licensing. Such investigation shall include but shall not be limited to the following:
- (1) The experience of the applicant in the business of purchase and sale of those articles or goods referred to in Subsection A of the definition of "secondhand dealer" in §4-8.1 herein, although nothing in this section shall be construed to warrant denial of a license solely on the basis of lack of experience.
 - (2) The reputation of the applicant for fair dealing in the community, which shall be made among credible sources, which sources shall be disclosed to the applicant in the event of a denial of any license.
 - (3) Any criminal record of the applicant.
 - (4) The type of operation contemplated to be conducted by the applicant, particularly whether the business is to be operated from a fixed location, whether it is to be conducted from a location primarily devoted to the purchase and sale of those articles and goods referred to in Subsection A of the definition of "secondhand dealer" in § 4-8.1 herein and other factors bearing upon whether the licensed business will be of a fixed and permanent nature. This section, however, shall not be construed to require denial of any license solely on the grounds that the business is not conducted from a fixed location.
- B. The Chief of Police shall complete any investigation pursuant to this chapter within 30 days of the submission of the application to the Clerk, fully completed by the applicant. If a criminal record check has been requested within the thirty-day period and has not been received by the Chief of Police within that period, the Chief may, if all other factors are satisfactory, recommend a conditional issuance of the license subject to the finding regarding criminal record.
- C. The Chief of Police shall, upon completion of the investigation, grant or deny the requested license. Any decision of the Chief of Police shall be in writing and, in the case of a denial, shall state fully and specifically the reasons for said denial. The Borough Clerk shall notify the applicant within 10 days of such denial and forward to the applicant a statement of the reason or reasons for such denial. The applicant shall have 10 days thereafter to request reconsideration by the Chief and may provide the Chief with any relevant information in response to that set forth in the Chief's notice of denial.
- D. Grounds for recommending denial of a license may include reliable information indicating that the applicant has in the past engaged in

fraudulent or deceptive business practices in a business identical to or similar to the business for which the applicant seeks a license pursuant to this chapter. A license may be denied if the investigation conducted by the Chief of Police reveals conviction of the applicant or any of its principal officers or employees of any crime or disorderly persons offense in which deceit or misrepresentation is an element or any conviction of any crime or disorderly persons offense involving theft or receiving stolen goods, whether such conviction was a principal, accessory before or after the fact or coconspirator. Upon receipt of the decision of the Chief of Police, the Clerk shall issue or deny the license accordingly, contingent upon the receipt of a bond pursuant to § 4-8.7. In the event of a denial of the license by the Chief, the applicant shall be entitled to a hearing before the Borough Council of the Borough of Point Pleasant, at which time the applicant shall be permitted to introduce such evidence as may be deemed relevant to such denial.

- E. Revocation of license. Any license issued pursuant to this chapter may be revoked by the Chief upon a showing that the license holder has been convicted of any crime or disorderly persons offense involving theft or receiving stolen goods, including but not limited to N.J.S.A. 2C:20-7 and 2C:20-7.1. In the event of such revocation, the license holder may appeal to the Borough Council and be entitled to a hearing, at which time the applicant shall be permitted to introduce such evidence as he shall deem proper. Any conviction of a crime or disorderly persons offense involving theft or receiving stolen goods shall be admissible at that hearing.

4-8.4. Identification of seller; required information.

All licensees shall require of each person selling used goods such as antiques, precious stones, gold, silver, platinum or other precious metals, jewelry, coins, any tools, television sets, radios, record or stereo sets, electronic devices, musical instruments, sporting goods, automotive equipment, collectibles, game cartridges, DVDs, CDs and other electronically recorded material, firearms, cameras and camera equipment, video equipment and bric-a-brac, suitable identification setting forth the true name and address of the seller. Acceptable identification includes a valid driver's license issued in one of the 50 states, a valid government-issued identification or photo ID which will be recorded on the receipt retained by the dealer and subsequently forwarded to the Point Pleasant Police Department upon request. All licensees shall issue to each seller a serially numbered receipt setting forth the following information:

- A. A brief legible description of the item(s) which shall describe the manufactured form of such item(s).
- B. A statement in full of any identifying marks on the item, such as initials, names, dates, social security numbers engraved thereon, serial numbers, series numbers or any other information appearing calculated to set apart the particular object sold from others of like kind.

- D. The name of the clerk or employee of the licensees making the transaction, legibly set forth.
- E. The name, permanent business address and license number of the purchaser/licensee.
- F. The name and address of the seller, which shall be verified by proof of identification. Said receipt book shall be a record kept in the regular course of business of the licensee.

4-8.5. Retention of articles; minimum age; change of location.

- A. No licensee under this chapter shall sell, alter or dispose of in any way any of those articles or goods referred to in § 4-8.1 herein until seven days have elapsed after the purchase of the same by such licensee. It shall be an affirmative defense to any prosecution or administrative proceeding brought for a violation of this section if retention for the time period required would have resulted in serious and substantial economic losses to the dealer, or the probability of such losses was significant due to rapid and highly fluctuating market conditions, provided that the persons so charged shall prove the existence of the market conditions giving rise to the aforesaid defense by a preponderance of the evidence. Market conditions, in order to be defense hereunder, must be such that financial analysts would characterize trading as at or approaching a level or occurrence so as to clearly distinguish trading conditions from normal variations in market movement in response to economic news or other events.
- B. No licensee under this chapter shall purchase any item covered by this chapter from any person under the age of 18 or in the absence of providing prior notification of such purchase to the Chief of Police or business designee identifying the individual from whom such purchase is to be made and the item to be purchased.

- B. No license issued under this chapter shall be assignable by the licensee.

Said bond shall contain the following language: "The obligation of this bond shall, in addition to the Borough of Point Pleasant, be and remain for the benefit of any person who shall obtain a judgment against

4-8.8. Fees; period of license validity.

The fee for initial application and license shall be \$100, nonrefundable. Each annual renewal fee shall be \$50. Said license shall be valid for a period of one year from the date of issuance.
